

MASSEY UNIVERSITY
TE KUNENGA KI PŪREHUROA
UNIVERSITY OF NEW ZEALAND

International Prospectus

2022

Haere mai Welcome

The global pandemic has taken an incredible toll on people throughout the world – the tragic loss of loved ones, the disruption to economies and the restrictions that took away freedoms that many of us take for granted. If you have suffered, and many have, my thoughts are with you.

Personally, I am so very proud of the way the people of New Zealand responded to COVID-19, and in the ways in which staff and students of Massey University adapted.

Looking after the health, safety and wellbeing of our people will always be our highest priority. Our extensive support services ensured all students remained safe, and our academic support helped minimise the disruption to study and research. Massey has a long, proud tradition of teaching and research excellence. Its heritage, geographic spread over three major cities, range of qualifications and the flexibility of its distance teaching all mean it offers students from around the world the ability to tailor their study to meet their needs and at the same time connect closely with industry, professional organisations and local communities.

Typically, we have more than 5000 international students each year from 100 countries. Massey also delivers teaching qualifications in seven other countries, and has international teaching partnerships with tertiary institutions in 15 nations.

We recognise that choosing to leave your own country in order to achieve academic qualifications is a life-changing decision. I warmly invite you to be part of our diverse and stimulating student community.

Professor Jan Thomas
Vice-Chancellor, Massey University

Campus guide

MASSEY UNIVERSITY HAS CAMPUSES IN THREE NEW ZEALAND CITIES – AUCKLAND, WELLINGTON, AND MANAWATŪ CAMPUS IN PALMERSTON NORTH.

AUCKLAND

massey.ac.nz/auckland

- A beautiful campus with state-of-the-art teaching and learning facilities
- Based in a diverse, multi-cultural city of 1.5 million people
- A culture that fosters innovation through strong connections with industry, including an on-site business incubator
- High quality academic qualifications taught by world-class researchers and teachers, including four Distinguished Professors in sciences and humanities and social sciences

PALMERSTON NORTH

massey.ac.nz/manawatu

- An international campus with staff and students from over 80 countries
- World-class academic qualifications, teachers and researchers
- Great sporting facilities, a state-of-the-art food plant and farms
- Affordable accommodation and living
- A safe, friendly, young person's city – a third of its population are aged 15 to 30 years

WELLINGTON

massey.ac.nz/wellington

- A friendly, vibrant and creative place
- Home to the Ngā Pae Māhutonga Wellington School of Design
- World-class research centres for public health, sleep, Māori health, disaster research, and tertiary teaching excellence
- Wellington regularly ranks as one of the most liveable cities in the world (Deutsche Bank Quality of Life Survey).
- Compact and set between a magnificent harbour and green hills.

Commercial leadership

TE KURA WHAI PAKIHI MASSEY BUSINESS SCHOOL

At Massey Business School (MBS), we believe our students should both study and practice business. We partner closely with many leading New Zealand companies, and a range of internships and opportunities to interact with actual businesses are built into our qualifications. Today's students need skills that can take them to the top of the business world anywhere, so we focus on globally relevant and future-focused learning. Massey Business School will provide a strong career foundation, and ensure you have the skills to succeed no matter where your future takes you.

KNOWLEDGE EXCHANGE HUB

The MBS Knowledge Exchange Hub provides impactful socio-economic research focusing on shared prosperity, including online and real-time tracking of GDP: a world first. Areas of study within MBS include:

- Accounting
- Aviation
- Economics
- Finance and Banking
- Management and Leadership
- Property
- Human Resources
- Technology Management

THE CENTER FOR CULTURE-CENTRED APPROACHES TO RESEARCH AND EVALUATION

CARE operates as a global hub for communication research, utilising participatory and culture-centred methodologies to develop community-driven communication solutions. MBS prioritizes impactful and applied research that solves real-world problems.

COMMUNITY ACCOUNTING INITIATIVE

This initiative works with the local community to build financial capability. As part of this, MBS accountancy students and staff provide free financial advice to the community.

MPOWER

Research by the Massey People, Organisation, Work and Employment Research Group focuses on the management of people in the workplace and organisations with a view to empowering people and organisations to perform.

ACADEMIC EXCELLENCE

HEDY HUANG

Senior lecturer,
School of Accountancy, Massey University,
Auckland Campus
Member of Chartered Accountants Australia
and New Zealand (CAANZ)

Hedy's research expertise includes auditing, corporate governance, sustainability, and management accounting issues in the Chinese capital markets. She also researches in the New Zealand not-for-profit sector. Hedy believes that her research contributes to local community development, informing her teaching and curriculum pedagogy, and is passionate about engaging with students, community, and accounting professionals.

Liaising with professional bodies the ACCA, CAANZ, and CPA Australia, Hedy also coordinates on-campus events and visits. Hedy is the Club Mentor for the Massey University Accountancy Club in Albany Campus, which aims to enrich students' learning, social and practical experiences. She also serves as a Trustee and Audit and Risk committee member in Airedale Property Trust.

Working with and mentoring students gives Hedy insight into the issues and challenges that accounting graduates face on their professional journey and helps her focus on developing students' career potential.

SUCCESSFUL GRADUATES

ELIJAH AI CHINA

Master of Professional Accountancy
and Finance, 2015

I took a gap year to travel in America and Asia before embarking on my career at Audit New Zealand. Upon gaining my Chartered Accountant qualification after three years with Audit New Zealand, I joined the Treasury Finance department at ASB Bank. Subsequently, I obtained my CFA charter with ASB.

Back in 2016 when I was interviewing for the graduate roles, I always felt I was very ready for the interviews thanks to the useful training sessions provided by Massey University on interview skills and CV writing. I found the knowledge we were taught at Massey can be easily applied to real life, which came in very handy during the case study step in the graduate recruitment process.

Extracurricular activities at Massey University are lively. In my second year at Massey University, I was fortunate to become one of the founding presidents of Massey University Accountancy Club. The mission of this organization is to connect the students with future employers and improve their employability. The successful stories of our graduates give us a great sense of satisfaction. Deeply inspired by Massey Accountancy Club, I recently established an organization, CNZ Careers, to continue helping students to land their dream jobs.

WORLD RANKINGS

Massey is ranked in the top 200 for Accounting finance, 250 for Economics Econometrics, and 300 for Business Management studies according to the QS (Quacquarelli Symonds) rankings.

PRESTIGIOUS ACCREDITATION

Massey Business School holds the prestigious AACSB accreditation.

AACSB
ACCREDITED

Design, fine arts, music, and creative media production

TOI RAUWHĀRANGI COLLEGE OF CREATIVE ARTS

Toi Rauwhāangi is New Zealand's premier provider of creative arts education, with comprehensive, internationally benchmarked, future-focused qualifications, innovative studio-based learning, high levels of undergraduate and postgraduate student achievement and a distinctive contribution to Māori and Pacific creative arts practice.

Our wide range of opportunities are actively engaged across a broad range of creative industries, including:

- Commercial music
- Creative media production
- Design
- Fine arts
- Māori visual arts

RESEARCH EXCELLENCE

WORLD-CLASS STANDING

Massey's reputation has grown through the quality of its faculty and the achievements of its students. Massey has been New Zealand's only Top 100 ranked Art and Design Schools (QS) for the last five consecutive years, and the No. 3 ranked design school in the Asia-Pacific region (Red Dot International). We also hold [substantial equivalency](#) with NASAD.

GLOBALLY CONNECTED RESEARCH

Massey also has more top-ranked, globally connected researchers in design and visual arts and crafts than any other art school in New Zealand (Performance-Based Research Funding Round (2019). Our exceptional practitioners use industry standard facilities to offer a stimulating, innovative learning environment.

WE CONNECT CREATIVITY TO ECONOMIC GROWTH

Our course range is industry-connected, offering cross-disciplinary learning on real-world briefs to nurture creative, critical thinking. We encourage entrepreneurial thinking and problem solving skills to prepare students for the rapidly changing global economy. Our vibrant, positive environment offers a transformative experience for a growing number of researchers at all career stages.

ACADEMIC EXCELLENCE

ANGELA KILFORD
TE WHANAU A KAI, NGĀTI POROU,
NGĀTI KAHUNGUNU

Senior tutor/lecturer,
Ngā Pae Māhutonga,
Ngā Pae Māhutonga Wellington School of
Design

A designer and artist with a background in textiles, Angela's inspiration comes from Māori concepts and knowledge. Recent works explore the whakapapa (genealogy) of local ecology and lesser known connections between living and non-living entities. These ideas are examined and expressed through walking, performance, collaborative making, large scale public installations and writing. Angela teaches across textiles, materials and critical and contextual studies for art and design.

SUCCESSFUL GRADUATE

SISSI (KIM NGÂN) NGUYỄN
VIETNAM

Bachelor of Creative Media Production, 2020

Originally from Ho Chi Minh City, Vietnam, Sissi came to New Zealand in 2016 to study high school at Aotea College in Porirua, Wellington. During her time at Aotea, she discovered digital art and motion design. In 2018, she came to Massey University to pursue her passion, and studied the Bachelor of Creative Media Production. With her achievements and results during high school, Sissi was also awarded the Massey University Creative Arts International Excellence scholarship.

During her time at Massey, Sissi has been exposed to a range of media production skills, from animation and visual effects to game design and interactive media. Besides the practical skills, Massey also provided her with good supporting systems and great friendships along the way. One of the things she likes the most about the qualification is the freedom to focus on the skills and the role she wants for her career pathway. For her undergraduate thesis, she worked as the Art director for Neocense, a 2D isometric puzzle game, with a group of eight other students. Her team then successfully launched the game on Steam – a digital game distribution platform. The game has received positive feedback from the community and was also a finalist for Excellence in Representation and Excellence in Accessibility categories for the New Zealand Game Awards 2021. Sissi is now employed as a Junior Motion Designer at Fox and Co. Design in Wellington.

MAKE GREAT WORK

Our students win awards at national and international competitions.

red dot

Global health and wellbeing

TE KURA HAUORA TANGATA COLLEGE OF HEALTH

A changing world with new problems demands new thinking and new leadership. Massey's College of Health takes a fresh approach to optimal health and wellbeing, and promotes equity and social justice. We make a difference by considering and embracing diversity, social determinants and environmental interactions across a wide range of health-related areas.

Our specialists focus on applied social research, health system strengthening, workforce development, environmental health, public health policy, sleep, sport and exercise, and nutrition. We also champion health and wellbeing, promoting healthy lives, advising on policy that supports these activities, and finding ways to keep people and communities well.

RESEARCH EXCELLENCE

Massey College of Health empowers academics and researchers to solve the global health challenges of the 21st century together. Whether you're a student or research collaborator, you will work alongside the most innovative thinkers and experts in New Zealand, and benefit from the expertise of our world-leading health researchers.

RESEARCH CENTRES

RESEARCH CENTRE FOR HAUORA AND HEALTH

Focuses on understanding and influencing the wellbeing of all New Zealanders, and contributing to a skilled and responsive health research workforce.

Disciplines, topics and methods include: epidemiology, mātauranga Māori, occupational and environmental health, health surveillance, non-communicable diseases, Māori health, Pacific health, indoor health and air quality, nutrition, biodiversity, sport performance, housing and injury.

SHORE AND WHĀRIKI RESEARCH CENTRE

Undertakes policy and collaborative community research on, and evaluations of, a variety of health and social topics, such as kaitiakitanga, privilege, racism, illicit drugs, housing, transport and urban development, health services, unhealthy commodities, particularly alcohol, and digital marketing. The centre consists of two multidisciplinary research groups working in a Treaty of Waitangi partnership model to produce excellent research with the aim of improving health and wellbeing and reducing inequities in Aotearoa, New Zealand and globally.

SLEEP/WAKE RESEARCH CENTRE

Advances scientific knowledge about circadian rhythms, sleep and waking function. The centre works with government agencies, industries and community groups to improve the health, safety and wellbeing of people, and has extensive experience in evidence-based consulting in the areas of shift work and fatigue management, including independent accident investigation and expert testimony.

SUCCESSFUL STUDENTS

AKISI RAVONO
FIJI

Doctor of Philosophy in Nursing

"My PhD research is on diabetes. More than 430 million people around the world have diabetes, and in Fiji it affects one-third of the adult population. It is my goal to improve nursing care for diabetic patients and encourage a shift towards a more preventive approach to reducing life-threatening situations and associated conditions. I am very proud to be studying at Massey. I am encouraged in a way that suits my ability, and I have great supervisory support."

HAIRUNNISA SHAFI
INDIA

Doctor of Philosophy in Social Work

"As a social worker and researcher, I believe obtaining a PhD in Social Work at Massey University helps me explore who I am as a person and how I can develop myself, both professionally and personally. Studying at Massey has provided a good opportunity to build and maintain friendships with people from all over the world, enjoying world class educational facilities that help me improve my verbal as well as written communication skills. I now have the confidence to develop innovative research projects, work independently, critically analyse topics and do presentations."

WORLD RANKINGS

Nursing – top 150

(2021 QS World University Rankings by Subject)

Nursing – top 150, 2nd in New Zealand

Public Health – top 300, 4th in New Zealand

(2020 Shanghai Global Rankings of Academic Subjects)

Global critical thinking

TE KURA PŪKENGĀ TANGATA COLLEGE OF HUMANITIES AND SOCIAL SCIENCES

Studying the humanities and social sciences will inspire your intellectual passion, ignite your imagination, enable you to think critically and help you to apply what you learn in the real world. We will challenge your thinking and enable you to be more creative, more innovative and more adaptable. We will teach you valuable skills that allow you to connect with your work, your community and your world.

RESEARCH EXCELLENCE

As our digital, connected lives grow, so does our population – and that threat to our environment is the most pressing, existential issue of our time. We would argue that the approaches we must adopt to living in this century challenge us to be adaptive, responsive and engaged citizens. Massey researchers seek to resolve the impact of this emergent new social model, and provide meaningful contributions to inform debate, and offer people-focused research to support developments that will enrich our future lives.

RESEARCH

PEDAGOGY

Research and development of the strategies teachers use to manage and teach languages in multi-level classes.

MENTAL HEALTH

Mental illness, including depression, is part of the wave of chronic illnesses affecting today's population. Massey researchers successfully adapted a cognitive behavioural therapy programme for adult Māori suffering from depression.

THE IMMIGRANT EXPERIENCE

Massey has explored immigrant economic success and work experience while also reviewing the contributions immigrants have made to community, culture and social development.

ACADEMIC EXCELLENCE

KRUSHIL WATENE

Māori philosopher & Associate Professor,
School of Humanities Media and Creative
Communication

Professor Watene has been appointed to the Advisory Board of the 2020 United Nations Human Development Report as one of the world's leading economists and humanitarian thinkers. Dr Watene, Ngāti Manu, Te Hikutu, Ngāti Whātua o Orākei, Tonga, is excited about the appointment's potential for "bringing the work of indigenous communities globally to bear on the transformation and future of the reports. It's an opportunity to highlight the significance of indigenous philosophies and practices." Dr Watene says the voices and values of Indigenous peoples have much to contribute in finding solutions to environmental catastrophe.

SUCCESSFUL GRADUATE

SHAWN VARGHESE INDIA

Master of Education, 2020

"I decided to turn my passion of becoming a teacher into reality and study a Master of Education in New Zealand at Massey University.

After spending time as a lecturer of English language and literature it was important for me to expand my knowledge of the learning and teaching system.

After arriving in New Zealand, I realized that I got more than I bargained for. Be it the course structure, resources or the brilliant and supportive academics, everything is harmonized and tailored for perfect learning conditions.

Studying at Massey has given me multiple perspectives, unlimited options to explore and transformed my thinking about the learning and teaching process in education.

The Master of Education program demands critical thinking and open-minded analysis of different subject areas from multiple perspectives. You also need a growth mind-set. Students should be eager and willing to bring their own thoughts, experiences, visions, and ideas to their study. Massey challenges your concepts with new perceptions."

WORLD RANKINGS

Massey is ranked in the top 250 in development studies, education, psychology and sociology according to the QS (Quacquarelli Symonds) rankings.

SUSTAINABLE DEVELOPMENT GOALS

Massey is ranked second overall among New Zealand universities in the latest Times Higher Education Impact Rankings.

Science, tech, and agriculture

TE WĀHANGA PŪTAIAO COLLEGE OF SCIENCES

The College of Sciences contributes to the needs of New Zealand and builds capability for the country through research and the development of high-quality graduates. It provides face-to-face education in sciences at both its Auckland and Manawātū campuses.

Our heritage is in agriculture, food and the sciences, and today we are among the world leaders in education and research. We also bring our best to new areas including computer science, information technology and the built environment. These are exciting areas for study and provide excellent opportunities for growth and development.

- Agriculture
- Computer science and information technology
- Built environment and construction
- Engineering
- Food and nutrition
- Fundamental science
- Natural and environmental science
- Veterinary and animal science

OUR RESEARCH INCLUDES:

We provide face-to-face education in sciences at both Auckland and Manawātū campuses. This includes research and teaching in:

- agriculture, horticulture, food science and technology, animal and veterinary science which provides knowledge and capability critical to the vitality of Aotearoa New Zealand's agrifood sector, and
- the life, environmental, computational and physical sciences within the natural and built environments that contribute fundamental knowledge and capability for the betterment of New Zealand, in applied fields such as agriculture and food technology.

ACADEMIC EXCELLENCE

DR. RUGGIERO (RINO) LOVREGLIO

Senior Lecturer at the School of Built Environment

Dr Lovreglio holds a PhD in Fire Safety Engineering from the joint PhD School of Politecnico di Torino, Politecnico di Milano e Politecnico di Bari (Italy). After obtaining his PhD in 2016, Dr Lovreglio was a postdoc at the University of Auckland until his appointment at Massey University in 2018.

Dr Lovreglio is an expert in Human Behavior in Disasters, Applied Statistics, and Evacuation Simulations. He has carried out several behavioral studies using new technologies such as virtual reality, augmented reality, BIM, and 3D scanning. Since 2014, he has published more than 40 journal articles and 3 book chapters.

SUCCESSFUL GRADUATE

JABER HUSSAIN
SAUDI ARABIA

Bachelor of Construction, 2020

I have always been curious about buildings and their management. When I heard about Massey University from a friend studying there, I decided it was the place for me to achieve my dream as the only university in Aotearoa offering the Bachelor of Construction Management.

The Saudi Arabian Cultural Mission (SACM) fully funded my studies, and provided excellent guidance. I really enjoyed meeting people from varying backgrounds, and found lecturers keen to help. I leave Massey with great knowledge and experience, and look forward to returning home to apply what I've learned from both Massey and New Zealand.

Accommodation and costs

MASSEY HALLS

Massey Halls are our accommodation facilities, and we aim to give you the best student experience support during your university years. Our Halls have dedicated staff to help navigate your priorities, connect you with other residents and encourage you to join the many events and activities that are available.

WHY CHOOSE MASSEY HALLS?

- Location** We are situated either on campus or within a short walking distance of the University. Everything you need is nearby, such as shops, bars and restaurants.
- Support** We have a team of staff to support you 24/7 and our Residential Assistants live on campus.
- Friendships** We focus on building our community from the start. You will live within a community of Massey University students, and will have lots of opportunities to meet people and make life-long friends from around the world.
- Better grades** Research shows that students living in university-provided accommodation tend to achieve better results.
- Leadership** We like to give our residents opportunities to take on leadership roles, such as becoming a floor warden, hall representative and – once you have been with us a year – you can apply to join our team and become a Residential Assistant.

Activities and events

We offer a full, varied residential life programme, so there is no excuse not to get involved. We run welcome programmes to help you settle into life at Massey University.

We like to think we are your home away from home, where you feel like you are among friends and family.

Safe and secure

Our buildings are safe and secure, with key fob security access to buildings. We have a security team that does regular checks through the day and night.

Homestay

This option gives you the opportunity to live with a local family in their home, and experience New Zealand culture. This is a great way to improve your English language. You will be provided with three meals a day and have support from our homestay pastoral care team.

LIVING COSTS

As well as tuition fees, you will need to pay for textbooks, non-tuition fees and your personal expenses.

At the airport, on arrival in New Zealand, you are required to pay a \$35 International Visitor and Tourism Conservation Levy.

If you enter New Zealand on a student visa, Immigration NZ requires you to have NZ\$15,000 available in addition to your course fees for each year you'll be studying in New Zealand, plus \$1500 for return airfare. Living costs can vary considerably depending upon accommodation option, location and personal spending habits, so you may require more money than this.

ACCOMMODATION COSTS

ACCOMMODATION OPTION

AUCKLAND CAMPUS

Pathways to Massey University

FOUNDATION PATHWAYS

Massey University College prepares you for a seamless transition into a wide range of degrees at the University. Benefit from small class sizes and personalised support while undertaking a qualification that will help you gain the academic and English language skills necessary to succeed at university and beyond.

ENGLISH LANGUAGE PATHWAYS

Our language pathway qualifications will give you the confidence and skills to take on our foundational qualification, or meet the University's academic English language requirements for degree-level study.

WHY STUDY A PATHWAY QUALIFICATION?

- Guaranteed entry into your university degree upon successful completion and meeting entry requirements for special entry degrees.
- Designed in partnership with the University, these include relevant subjects to prepare you for your degree. Get to know New Zealand's education system and unique Māori culture
- Excellent academic, welfare and careers support system

TO APPLY TO A PATHWAY TO MASSEY

college.massey.ac.nz

Student exchange

As an international student, you are also eligible to participate in our student exchange programme and can therefore choose to study for one or two semesters of your degree at over 200 institutions in more than 25 countries. massey.ac.nz/studentexchange

International student support

OUR INTERNATIONAL STUDENT SUPPORT TEAMS ARE HERE TO HELP YOU WITH VISA RENEWALS, INSURANCE, ACCOMMODATION, TRANSPORT AND GENERAL CAMPUS INFORMATION.

WE ALSO CONNECT STUDENTS TO OTHER SUPPORT SERVICES. WE RUN AN INTERNATIONAL REGISTRATION AND WELCOME PROGRAMME TO HELP YOU SETTLE IN, AND RUN A NUMBER OF EVENTS AND ACTIVITIES THROUGHOUT THE SEMESTER.

STUDY SUPPORT

The Centre for Teaching and Learning aims to help you develop good study practices and examination skills. They offer regular workshops as well as individual consultations.

learning.massey.ac.nz

CAREER SERVICES

Career Services can help you to explore and plan your career, source job opportunities, and build your employability skills. We work with employers and academic staff to offer you career events, industry presentations, career and skills workshops, and seminars.

massey.ac.nz/careers

HEALTH SERVICES

There are Health and Counselling Centres on all our campuses, which are designed to provide students with a comprehensive range of professional and confidential health services. These services are intended to keep you active, healthy, and able to achieve your goals.

massey.ac.nz/health-and-counselling

RECREATION

Massey is committed to ensuring an active, enriching campus life and has excellent facilities on each of our campuses as well as associations and clubs to meet the needs of the student community. We have over 100 student-run clubs where you can meet, have fun and make new friends.

Doctor of Philosophy (PhD)	A	P	W	Any time	3-4 years	NZ\$6,890-8,490 ¹²

² Subject to CUAP approval.

¹² The New Zealand Government has approved a policy for new international student PhD applicants which offers international students the same level of tuition fees as those paid by New Zealand domestic students. At Massey University, this policy relates to the Doctor of Philosophy with research topics in all areas including: Business, Creative Arts, Health, Humanities and Social Sciences, and Sciences. For specific details, please refer to www.massey.ac.nz/prospective-phd/.

* Will take 2 years to complete.

Study online from your country

THE LEADER IN ONLINE AND BORDERLESS EDUCATION

We have been providing distance education for almost 60 years and more than 350,000 people from all over the world have studied via distance with us.

We are ranked in the top 300 universities in the world and have five stars across nine categories (including Online) by QS World University Rankings. You can be confident your learning will meet the latest international standards, and your qualification will be well received wherever your journey takes you after you graduate.

WHY STUDY ONLINE WITH MASSEY UNIVERSITY?

With Massey University, you can study fully online – you don't need to travel to New Zealand. The qualifications you obtain by studying online with Massey University are the same as you would receive if studying at one of our three campuses in New Zealand.

Studying online allows you to achieve your educational dreams while you are working, training or raising a family. Our online qualifications have been designed to fit around you – watch lectures or read materials wherever you might be, at a time that is suitable to your schedule. There are some great benefits to online learning including meeting the commitments you have at home and work, saving time and money.

It is important to note that Immigration New Zealand will not grant a student visa for study in New Zealand where the intended qualification of study is fully delivered online. If you hold a work permit you can study part-time via online learning. Please contact us for more information.

ONLINE QUALIFICATIONS DESIGNED WITH YOU IN MIND

- Your online lectures are given by the same academic staff who teach on campus
- Online tools allow you to study when you can and still be in contact with your lecturer when you need to, and
- Our support services are here to help you attain your educational dream.

All students studying online have access to Stream – Massey's virtual learning community. It's a place where you can exchange ideas with fellow students and lecturers.

Depending on the course you are studying, Stream offers:

- The latest news on your subject
- Study notes
- Recent articles
- Online presentations
- Activities
- Assignments
- Quizzes
- Tests
- Online conversations and discussion forums

HELPFUL SUPPORT

The key to studying online is having strategies and support people in place to help with challenges that may arise. With Massey University you are not studying alone! Our team have created a support service for our students living around the world. We're here to help you when you need advice.

FEES

International students studying outside of New Zealand do not need to pay New Zealand Goods and Services Tax (GST). View all our online qualifications at massey.ac.nz/global

Online qualifications available internationally

This is a guide to qualifications available to international students interested in studying online from outside New Zealand. The 2022 tuition fees quoted are estimates only, are in New Zealand dollars and exclude New Zealand Goods and Services Tax (GST). Most students who study online enjoy 15% lower fees than students who study on campus, due to not having to pay New Zealand GST. However some countries, such as Australia, still require their residents to pay GST in line with their tax requirements.

Tuition fees quoted are based on 120 credits, as well as per 15 credit course (paper) of study within the qualifications unless stated otherwise. Each 15-credit course requires approximately 10-12.5 hours each week of class and study time. Online courses need to be chosen very carefully to ensure they do not require the student to travel to New Zealand for onshore contact. There are sufficient courses to complete the qualification that do not require onshore contact.

CERTIFICATES AND DIPLOMAS

ONLINE QUALIFICATION	START DATE	DURATION (IF STUDIED FULL-TIME)	ONLINE COST	PER 15 CREDIT COURSE
Certificate in Arts	Feb or July	1 semester	NZ\$12,240 per semester	NZ\$3060

² Subject to CUAP Approval.

* The MVM is equivalent to one year of study but due to course offerings this qualification is only available for part-time study and will take longer than one year to complete.

** Will take 2 years to complete.

Entry requirements for international students

Undergraduate academic entrance requirements For most undergraduate qualifications, the minimum academic entry requirement is successful completion of a qualification equivalent to the New Zealand Year 13 – NCEA Level 3 University Entrance. International students need to check the equivalency of their secondary school qualification by reviewing the list of Academic Admission requirements by Country:

- International students who have previously studied at a New Zealand secondary school should refer to the secondary school requirements section.
- International students who have completed a minimum of 4 x B's at level 5 or 6 in the New Zealand Diploma in Business may apply for entry into a Bachelor's qualification.

The English language requirements can be met by:

- A minimum IELTS 5.5 (or equivalent) used to gain entry to the NZDipBus or,
- A recent IELTS 6.0 with no band score less than 5.5

GRADUATE DIPLOMAS

Admission to a Graduate Diploma requires successful completion of a three year diploma or undergraduate degree from a recognised tertiary institution.

UNDERGRADUATE ENGLISH LANGUAGE ENTRANCE REQUIREMENTS

Students from a country where English is not the first language, must obtain a minimum English Language competency level. Some qualifications require a higher level of English Language competency than the minimum requirement indicated.

QUALIFICATION LEVEL	IELTS	TOEFL IBT	PTE ACADEMIC	CAMBRIDGE ENGLISH
Foundation Certificate (International)	5.5 (no band less than 5.0)	50 overall (5 in reading & listening, 15 in speaking & writing)	46	165
Foundation Certificate (International – Accelerated)	6.0 (no band less than 5.5)	65 overall (10 in reading & listening, 16 in speaking & writing)	50	170

Massey University recognises the following English Language examinations:

International English Language Testing System (IELTS)

Only Academic IELTS scores are acceptable. A scanned copy of your academic IELTS scores is acceptable as Massey is able to verify your results online.

Test of English as a Foreign Language (TOEFL)

A scanned copy of your TOEFL scores is acceptable (This applies to iBT test results only).

Test scores for English proficiency are valid for two years from the test date.

If you have taken a test other than IELTS or TOEFL, include it with your Application for Admission as an International Student so that it may be considered.

International Students who qualify for admission with NCEA Level 3/CIE from a New Zealand Secondary School do not need to present any additional English language evidence for general admission. IELTS can not be used as a substitute for literacy but will be required for qualifications with a higher English language requirement in addition to meeting the literacy requirement (refer to the qualification specific exceptions).

POSTGRADUATE ACADEMIC ENTRANCE REQUIREMENTS

MASTERS, POSTGRADUATE DIPLOMAS AND POSTGRADUATE CERTIFICATES

An appropriate undergraduate degree from a recognised tertiary institution is required

DOCTORATE DEGREES (PHD)

The equivalent or better of a relevant Bachelor's (Hons) or Master's Degree with First or Second Class Honours, Division 1 (B+ and above) with prior experience of independent research at postgraduate level.
