## DECLARATION

I am aware that the Chinese Government does not recognise courses taught via a Distance offering.

I am also aware of the risk that my choice to complete the course(s) noted above during semester(s) and year(s) noted above as a Distance course could potentially result in my qualification not being approved by Chinese Service Centre for Scholarly Exchange (CSCSE).

I also acknowledge that Massey University has identified the risk to me and advised I should take an alternative internal delivery course offering instead to complete my qualification. I have chosen to take this Distance course at my own risk.
